Tuesday, May 11, 2004
123 Jesse Hall**

Attending: James Coleman, Larry Edwards, Jacquelyn Jones, Chris Koukola, Alan Marshall, Michael Nolan, Cathy Scroggs, Scott Shader, Gary Smith and Bruce Walker

Absent: Brady Deaton, David Housh, Mike Middleton, Benjamin Schwarz and Ruth Brent- Tofle

Guests: John Gardner, Mark Jarvis, Randy Miles and John Poehlmann

A CRC meeting was held on Tuesday, May 11, 2004 at 1:30 p.m. in room 123 of Jesse Hall and the following was discussed.

1. Renovation of Sanborn Field Fencing and Landscaping – Scott Shader, Randy Miles, John Poehlmann, Mark Jarvis and John Gardner

Randy Miles, Associate Professor – Soils, Environmental and Atmospheric Science distributed handouts to the Committee showing the proposed new fencing and landscaping on the west side of Sanborn Field.

Sanborn Field was established in 1888 and is the second oldest continuous research field in the United States and became a National Historical Landmark in 1995.

The renovation will involve the new fence and displays, safer environment with wider sidewalks that border the west side of the field. The proposed new fencing will be 6 foot high industrial black aluminum. The historic columns located at the old double gate off the College Avenue will be moved to the corner of College Avenue and Rollins road on the pedestrian waiting area.

The estimated cost of the new fencing and landscaping is \$175,000.00 which will be covered by CAFNR.

Recommendation: CRC approved this request as submitted but would like the Art and Artifact Committee to review the placement of the historic columns.

2. Crosswalks at Conley Avenue and Missouri Avenue – Larry Edwards

Larry Edwards distributed a handout showing the proposed ADA crosswalk at Conley Avenue and Missouri Avenue.

Recommendation: CRC approved this request as submitted.

3. Tiger Spot – Informational Item - Jackie Jones

Several members of CRC asked Jackie Jones for an update with the refurbishing of the Tiger Mosaic in Lowry Mall. Jackie stated that progress was going slow and that she had a meeting after the CRC meeting.

Recommendation: CRC requested that Jackie give an update to the Committee as progress is made on the Tiger Spot Mosaic.

The meeting adjourned at 2:30 p.m.
