A space planning meeting was held on Tuesday, September 5, 2000 at 1:30 p.m. and the following was discussed.

Dr. Smith began the meeting by stating that he had two agenda items to discuss. The first item had to do with a space request received from Dr. Mike Nolan, Chair of the Agriculture Social Sciences Unit. The second topic was an informational item regarding several space requests that will be forth coming from the College of Engineering, College of Education and the Psychology Department regarding Noyes Hall space that will be vacated by Career Planning and Placement's move to the old Missouri Bookstore.

Dr. Nolan's Space Request – Dr. Smith distributed Dr. Nolan's space request memo to the committee members. Dr. Smith stated that Scott Shader has been assigned to do a Space Programming Study for the College of Agriculture at the request of Vice Chancellor Payne and Provost Brady Deaton. The committee agreed that Dr. Nolan should fill out the Space Request form to supplement his memo and that no action would be taken until the College of Agriculture space analysis is completed.

The meeting ended at 2:30 p.m.
